

# PORTRONICS

SOMETHING FOR EVERYONE

**Truly High  
Quality**

**Unique  
Design**

**Our Commitments**

**Portable**

**Sustainable**

# WHAT We Do?

Since its inception in 2010, Portronics has been a pioneer in Portable & Innovative technology, dominating the Indian landscape, and how.

A leader in the Consumer Electronics space, Portronics has launched over 1,600 products since its inception and continues to make access to innovation, easier.

***We believe that a product is more than just a gadget; it's a lifestyle experience!***

## Why?

With a PAN India presence, Portronics has been successfully delivering innovation at your doorstep for more than 10 years and is constantly working up the ladder of transformation.

## How?

We strongly believe that a gadget should be an enabler and not a liability. Having sold more than 10 million products in the past 10 years, Portronics products are extremely portable, user-centered, and innovative. We understand your needs and derive the most usable, stylish, and quality products, to the best of our technological capability.

# Why Portronics

---

## Portability

We were the first to introduce the Indian market to Portable Bluetooth speakers, power banks, portable projectors, and scanners. As user-centered, digital product sellers, *our goal is to design products that go hand-in-hand with **our customers, and also in their pockets.*** We strive to create products that are lightweight and mobile.

## Innovation

We believe innovation has been instrumental in the growth and building of technology as we see it today. To continue the legacy of out-of-the box thinking, we work tirelessly to bring to life the newest & most innovative concepts, and to make technology accessible to everybody.

# Company moto

---

To **create, sustain** and **inspire innovation** at every step.

# CONVERTERS

The image features the word "CONVERTERS" in large, bold, red capital letters. Behind the letters, two power strips are visible. On the left, a white power strip with a surge protector is plugged into a wall outlet. On the right, a black power strip with a surge protector is also plugged into a wall outlet. The background is dark, making the red text and white/black power strips stand out.
